Brunson said that although the major function of SBA is to provide financial assistance to small business firms, it is a recognized fact that a loan is not a "cure all". In many instances financial distress is brought about by poor judgement in management. In an effort management. In an effort misused.

An important point to keep in mind is that 90% of the total cases reported involve children under the age of five. They are particularly susceptable because they are learning by exploring their aliable. Try the pearest men upon request, whether or not they are recipients of loans, through the Service Corps of Retire Executives (SCORE),

believe in having every acre of pasture land producing close to ways to do this is by using enough fertilizer. BUILDINGS AND EQUIPMENT We have just received some excellent information and plans on buildings and equipment for modern hog producers. Plans include farrowing houses, nur-sery units, finishing units, and

breeding pens. This material was prepared by our Extension Engineer Harold Watson Several days ago I was thinking of the interest that names hold. It so happened that my and Hog Specialist James Danon. It includes a lot of information on the necessary children were discussing names several hours later. They were buildings and equipment for hog fascinated by the secret mid-Extension Farm Agent J. R. dle names that some folk have. It's odd, isn't it, how protecpeed is working closely with Coffee County hog producers tive so many of us are about in developing the swine indus-try. He also has information our middle names, I am not on electric pen partitioning, hot water floor heat for farrowing houses, slatted floor for swine of knowing many people during buildings, and information on remodeling existing buildings into swine houses. In fact, we have so much information we can't list all of it, but we invite you to come by our office or write for this excellent
information. Incidentally, all
of these plans are free for the
asking.

Actively Works For Sparkman U. S. Senator John Sp. arkman has named Frank Clark, Jr. of Elba as ch-

Frank Clark Jr.

airman of a group of young adults working for the reelection of the Senator in Coffee County. Clark will head up Coffee County Young Alabamians for Sparkman, a group of young adults up to the age of 35. YAS is a companion organization to students for Sparkman, a high school group, and New Voters Sparkman, active on the Alabama College Campuses.

Senator Sparkman has Jaunched a strong bid for re-election to the U. S. Senate where he is one of the nation's leading senators and where he accounts for 40% of all Alabama's seniority. Most political observers consider him the favorite. a graduate of Elba High School and is presently attending the University of Alabama. He is originally from Richmond,

Clark said of Senator Sparkman, "the Senator is needed now more than any other time because of his seniority and pro-

ven leadership abilities.' State Troopers **Local Wrecks**

The Alabama State Troopers investigated 176 rural traffic accidents with 96 injuries and 8 fatalities from 6:00 p.m. Friday through 12 midnight Sunday. These faralities occurred 3 in Limestone and 3 in Jefferson County and leach in Henry and Russell County. These accidents bring the number of people kil-led in rural Alabama traffic accidents this year to 226 compared with 202 killed during the same

period last year for an increase of 24 fatalities. Troopers of Dothan District investigated 10 traffic accidents with 4 injuries and I fatality during this period. The Do-The Trinity Revival than Distict has 12 fatalities so far this year as Crusade opened last Suncompared with 28 at this same last year. Coffee County Troopers investigated 2 accidents this weekend with 1 injury and no fatalities. So far this year 3 persons have been killed in
